Cork Harbour Commissioners,
Secretary's Office,
Custom House Street,
Cork,
23rd August, 1928.

The Secretary,
Great Southern Railways,
Kingsbridge,
Dublin.

Dear Sir,

"Five-Foot Way" at Cobh.

I am directed by my Commissioners to inform you that, having considered a report from the Harbour Engineer on the condition of the "Five-Foot Way" at Cobh (copy attached), the "Five-Foot Way" is not being maintained to their satisfaction in accordance with Sub-section 8 of Section 8 Great Southern & Western Railway (Additional Powers) Act, 1884.

With a view to putting this "Five-Foot Way" in "good and proper repair and condition" I am to ask you if you will be good enough to arrange an interview between your Engineer and Mr. Price (the Harbour Engineer) to discuss the matter.

Adverting to mine of the 9th instant, in which I informed you that my Commissioners intend to remove the existing damaged fence on the River side of the "Five-Foot Way" and had instructed me to apply for permission to enter your Company's premises for the purpose, I will be glad if you kindly let me have the necessary permission to enable our Engineer to start the work.

Yours faithfully,

(Sgd) James Long,
General Manager & Secretary.
